

Certification exercise 2018

Luxembourg, 02/10/2018

Dear colleagues,

The certification exercise 2018 **has been** launched on October 1 with deadline date of October 19; it will allow 60 colleagues to be selected to pass from the category AST to AD, after following rigorous training supplemented by demanding exams.

Union Syndicale Fédérale Luxembourg offers a session of **free** training to better prepare candidates in view of a screening interview (if your Directorate General uses this procedure) and/or for an interview with the Joint Certification Panel/Committee.

In particular, participants will improve their knowledge regarding different stages of the procedure and will receive advice on how to prepare interviews and to appear before _____ the _____ panel(s).
The versatility of administrators' functions is also part of the agenda.
