Promotions 2019

Luxembourg, le 14/11/ 2019

The 2019 promotion exercise has been closed and the lists of promoted colleagues can be found here:

<https://myintracomm.ec.europa.eu/infoadm/en/2019/Pages/ia19032.aspx>

The results are also shown in your Sysper file, under the 'Promotion' field.

Congratulations to promoted colleagues!

The promotion committees have examined all the appeals but only had 5% of pre-assigned quotas per grade at their disposal and had little room for maneuver in their efforts to mitigate instances of injustice or discrimination.

What should you do in case you appealed and you are not promoted?

You can introduce an 'Art. 90' complaint within three months.

Our real unions are at your disposal and have real persons and even lawyers if needed for further advice.
