

TOGETHER FOR LUXEMBOURG

Luxembourg, 11/10/2022

This year is marked by the elections of the Local Staff Committee. True to its values and traditions, Union Syndicale Fédérale Luxembourg mainly wants to continue to:

- work on the attractiveness of the Luxembourg site,
- give back the Local Staff Committee to the Staff',
- develop synergies between Unions for the benefit of Staff.

Union Syndicale Fédérale Luxembourg, competent colleagues who put their expertise at your service every day.

We provide you with our expertise, express our position (tracts) and advise you. A union of action, which is there for everyone without distinction, even outside of election periods. No bla bla, no big speeches, no press conference but concrete actions.

We indeed have a substantial and proven record of openness, transparency and professionalism. USFL led the previous Local Staff Committee (2019-2022) with other Unions and wishes to continue in this direction in the same spirit with the other organizations of Luxembourg. We are part of a big Federation (USF) that achieves what staff expect, defending the rights of all Commission employees for all categories of personnel with all kind of contracts.

The only marketing mean we will offer in this Luxembourg Local Staff Committee Campaign is to inform and/or remind you about what we do every day in a contextualized way through newsletters. We will not offer timely opportunistic big masses (conferences, workshops). We are also certainly not in hibernation mode between electoral campaigns. To the contrary USFL offers you support and tailored made services every day since its creation.

We offer you what we really are, not more not less
